2. Equality and Diversity Monitoring

Equal Opportunities Data (Equality and Diversity)

Why do we ask for this information and what do we use it for?

In line with good practice and legal requirements, the Research Councils collect data on equality and diversity from applicants for grants and other awards. These data help in assessing how effective our policies and procedures are in eliminating unlawful discrimination and promoting equal opportunities. This information may be used anonymously for statistical purposes. It will be treated in confidence and in line with the Councils data protection procedures. It will not be used in the assessment of your application.

You can choose not to disclose your information but it will help us to monitor equality of opportunity if you do provide it.

The information we ask for is:

- Date of birth
- Gender
- Ethnic origin
- Disability
